Mulgildie State School

BOOK AND STATIONARY REQUIREMENTS FOR 2013

Below are your child’s booklist requirements. Please pay attention to the details of each item. All school materials presented in this list are necessary and it is hoped that each child will start the 2013 school year with a complete set of books and stationery.

Items not used for example; extra pencils and glue sticks will be kept securely in a storage room at the school when not in use. Each student’s items will be kept in separate bags in this storage room and items will be retrieved by a staff member when students are in need of something.

Items remaining at the end of the school year will be sent home on the last day of school for the year. These items include all books & stationery.

POINTS TO NOTE:

1. All books to be covered as they not only last much longer but the child takes pride in these books. All books need to be named and sent to school on the first day of 2013. This will enable students to use each book as it is needed. With the new curriculum in place parents will not need to write subject names on their child’s books. This will be done at school.

2. All stationery items (i.e. scissors, pens etc) to be clearly named and sent to the school at the beginning of the year. Extra pencils and glue sticks etc. will be stored securely at school. See above.

3. Bus Levies: $40 per student attending Prep, Year 1, 2 or 3, $50 per student in Year 4, 5, 6 & 7. Bus levies are due by Friday 1st March 2013. Payment Scheme available through Mulgildie School Parents and Citizens Association and final payment through this scheme will be made by end of Term 1, 2012.

4. A chair bag pattern has been attached; however a little tip is just to turn a pillowcase inside out. This can be decorated to be unique in any way you’d like. Chair bags are optional, they are not a requirement as subject books are collected and stored on shelves to save space in student’s desks and gives them the option to not have a chair bag.
Year 2:
